

NAAN -N- CURRY

YOU LIKE TO EAT. WE LIKE TO FEED.

A simple connection that has allowed us to serve customers since 2005. We bring you dishes from our homeland that we grew up on and can't get enough of. Everything is made in house as we refuse to use pre-packaged spice mixes. We roast and grind our own spice mixes on a daily basis. The menu provides options for everyone, so go ahead, **LIVE IT UP**. Or as they say in Pakistan and India: "**ASH KAR YAAR!**"

KEEP CALM -N- CURRY ON

[GF] = gluten free
[VG] = vegetarian
[V] = vegan
[A] = contains almonds

Please order rice and naan separately.

Spice levels are from 0 - 4.

All food is **halal**.
